

Bayside Community Church

TAMPA, FL
FEBRUARY 2, 2025

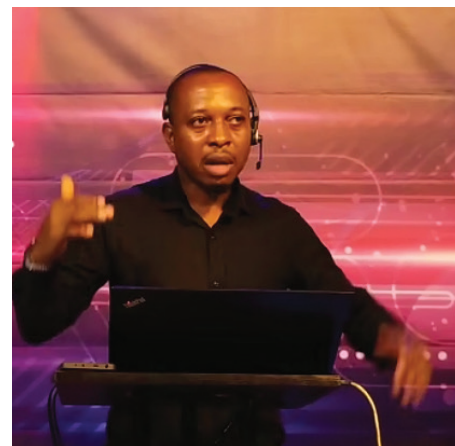

Bob with Don Rice and Harley Riedel at Bayside, Feb. 2

Bob with Jim Crews and Bob Carter at Bayside, Feb. 2

(Bob) spoke on the need to hold fast to God's promises (hour 1) and on the blessed man of Psalm 1 (hour 2). You should be able to see those on our YouTube channel in a month or so.

On my flight there I sat next to a youngish couple. The wife started reading a book and I saw it said, *New Believer's Bible*. I was able to give her my boarding pass on which I wrote faithalone.org (many articles) and YouTube Grace Evangelical Society (many short videos). I explained that many people in Christianity believe in salvation by faith plus works but the Lord taught salvation by faith alone, apart from works. Hopefully they will check out our website and YouTube channel.

Ken and Bob Zoom Their Sunday School Classes Worldwide

I (Bob) continue teaching a class (10:30-11:30 Eastern Time) covering key Bible words and phrases. In addition to the five to ten in-person participants at Vista Ridge Bible Fellowship, about ten people participate via Zoom, including people from Spain, the Philippines, Mexico, and various US States.

Little River Baptist Church in Jenkinsville, SC has begun Zooming my (Ken's) class (10:00 to 11:00 Eastern Time), which has about ten people in person and another ten online, including people from Spain, Italy, and various States. Currently, I am going through different parables by the Lord.

Ken's Sunday School Class

If anybody is interested in joining either class, just let the GES office know and we will give you the link and password.

Faculty include Tony Badger, Ken Yates, Philippe Sterling, Dix Winston, David Jansen, and Bob Wilkin. Ken Pierce and Dave Wyant are assisting in several classes with a view toward teaching next year.

Notes and Letters

I just read the excellent July-August 2024 *Grace in Focus* article, "Why Aren't All Who Believe in Christ Overcomers?" by Bob Wilkin. Thanks.

I have been greatly blessed by the Biblical instruction I receive from GES. Thank you for all you do.

Hi, Bob. Thanks to you and GES for your commitment to bring the truth to many. Your ministry has opened my

mind to the truth and it has saved me out of the grips of Calvinism (aka Reformed Theology). I now know for certain I am secure in Christ.

Prayer Requests

Cynthia Falkner had three major surgeries for diverticulitis and is still recovering in a rehab hospital. Her husband, Joe, was Bob's Campus Director with Campus Crusade for Christ at Arkansas State University back in 1974-75. She was the Senior Woman at ASU with Cru that year. Bob and Joe went to DTS together from 1978 to 1982.

Colin Jackson, who is an administrative assistant with GES, is leaving March 10 to teach English to children in Japan for a year. He will work for GES remotely during that time. He plans to keep working at GES when he returns. Please pray for his flight, adjustments, and work there.
